Our design team at Connolly Printing is ready to help you with all your graphic design needs. Our creative designers are equipped with today's top design applications including:

- Adobe **InDesign**
- Adobe **PhotoShop**
- Adobe **Illustrator**
- Adobe **Acrobat**

We have both **Mac & PC** platforms to be fully compatible with your files, logos and other creative materials. We specialize in branding, helping you maintain a consistent, recognizable look & feel on all your products. Our goal is to create media that attracts your audiences' attention and compels them to read and retain your message.

Our servers are also equipped with **Xerox XMPie**, extending the abilities of your marketing efforts which include but are not limited to: Variable Data & Variable Imaging. Technology like this allows us to greatly extend the marketing power of your campaign and offer almost endless options of customizing your work for each target audience while keeping the product cost low.
