A. Connolly Printing has several   options for transmitting files.

Option 1: Our website has an "Upload   File" form conveniently located under the top menu on the   right-hand side of every page.

Option 2: You may also email your   file as an attachment to: uploads@connollyprinting.net

Option 3: If you have very large files   or multiple files to send and prefer using Dropbox, please email   support@connollyprinting.net   or call to tell us where you would like us to send a Dropbox request. (In order to protect the   privacy of our clients and their data, we do not use a generic Dropbox   account)
